

REMARKS

In revising paragraph 146 via the 11 June 2004 Amendment, Applicant's Attorney intended to insert the missing reference symbol "164" between "162" and "166" in the first sentence of that paragraph so that the corrected recitation "162, 164, 166" conforms to the later recitation "112, 114, 116" in that sentence. However, the revision to paragraph 146 inadvertently incorrectly prescribed that reference symbol "164" was to be inserted after reference symbol "166". The present amendment corrects that error.

In submitting the present amendment, Applicant's Attorney notes that the Office Action mailed 23 February 2005 was incomplete for failure to provide grounds for rejecting certain of the claims. Accordingly, the finality of the 23 February 2005 Office Action was to be withdrawn. The status of the above application was then to be returned to non-final status in which amendment of the application is not limited by 37 CFR 1.116. Accordingly, the present amendment should be entered.

Please telephone Applicant's Attorney at 650-964-9767 if there are any questions.
